Maintenance Guide

CLEANING SOLID BRONZE LETTERS & LOGOS

All LettersandSigns.com Solid Bronze letters (except anodized) are coated with clear poly paint to help protect the metal from corrosion. Based on where the letters are installed, periodic cleaning of this coating may be required. Wash these letters with a soft cloth and warm, soapy water. Cleaning with harsh cleaners that contain chemicals is not recommended, as this may damage the clear poly coating. We recommend cleaning every few months or as needed to preserve the original finish.

This Important Notice of Purchaser Applies to all LETTERSANDSIGNS.COM Products

The following warranty is in lieu of all warranties expresses or implied, Seller and Manufacturer disclaims any warranty of merchant-ability or of fitness for a particular purpose and manufacturer/sellers only obligation shall be to replace such quantity of the product proved to be defective. Neither seller nor manufacturer shall be liable for any injury, loss or damage, direct or consequential, arising out of the use of or the inability to use the product. Before using, user shall determine the suitability of the product for his or her intended use and user assumes all risk and liability whatsoever in connection therewith. The foregoing may not be altered except by an agreement signed by officers of seller and manufacturer.
